

October 6 (Thursday)		Venue
Morning		
9:00-10:00	Registration	Theatre
10:00-10:30	Opening of the I International Conference on Research for Sustainable Development in Mountain Regions Jaime Pires, CIMO Coordinator Adriana de Aquino, Embrapa representative Martin F. Price, Chairholder of the UNESCO Chair in Sustainable Mountain Development	Theatre Auditorium
10:30-11:15	Keynote address <i>Mountains matter</i> by Martin F. Price , University of the Highlands and Islands, UK	Theatre Auditorium
11:15-11:45	<i>Coffee break</i>	Theatre Foyer
11:45-12:30	Keynote address <i>Mountain forests in a rapidly changing world - should we worry?</i> by Harald Bugmann , ETH Zurich – Institute of Terrestrial Ecosystems, Switzerland	Theatre Auditorium
12:30-13:00	<i>New Global GIS Coverages Provide spatially explicit frameworks for mountain research</i> by Gregory B. Greenwood, Mountain Research Initiative	Theatre Auditorium
13:00-14:00	<i>Lunch</i>	Theatre Foyer
Afternoon		
14:00-14:45	Keynote address <i>Challenges and opportunities for understanding social-ecological dynamics, linking science with action, and moving towards sustainability in the world's mountains</i> by Julia Klein , Colorado State University, USA	Theatre Auditorium
14:45-16:15	Symposia and parallel sessions Symposium 21: <i>Moving toward sustainable mountain social-ecological systems: the challenge and promise of cross-level governance</i> Symposium 5: Forest adaptation and restoration under global change – the role of mountainous forests (session 1) Symposium 10: <i>Resources, risks and values: challenges for sustainable management in mountain viticulture</i> Symposium 13: <i>Natural and human induced hazards in mountain areas under global change: trends and challenges</i>	Theatre Auditorium União Freguesias Conservatorium Auditorium Conservatorium Gallery
16:15-16:45	<i>Coffee break</i>	Theatre Foyer
16:45-18:15	Symposia and parallel sessions Symposium 4: <i>Mountains, traditional ecological knowledge and conservation of bioculture</i> Symposium 5: Forest adaptation and restoration under global change – the role of mountainous forests (session 2) Symposium 19: <i>Erosion threats in mountain environments: processes, impacts and mitigation</i> Symposium 18: Forest management tools for sustainability approach in mountain regions	Theatre Auditorium União Freguesias Conservatorium Auditorium Conservatorium Gallery
18:15-19:45	Poster session	Theatre Foyer
19:45-21:30	<i>Buffet dinner</i>	Theatre Sala de Atos
22:00-23:00	<i>Music concert – Galandum Galundaina</i>	Theatre Auditorium

October 7 (Friday)		Venue
Morning		ESA (IPB Campus)
9:00-9:45	Keynote address <i>Mountain Forests - traps or treasures?</i> by Georg Gratzer , University for Natural Resources and Life Sciences, Austria	Aud. D. Gonçalves (ESA)
9:45-11:15	Symposia and parallel sessions Symposium 20: The XXI century mountains: sustainable management of mountainous areas based on animal traction Symposium 2: Land use change, value and sustainable development in mountain landscapes Session 1: <i>Climate change</i> Symposium 11: Tropical mountains: challenges in climate, soil and water resources management for sustainable development	Aud. D. Gonçalves (ESA) Aud. Pequeno (ESA) Aud. Alcínio Miguel (EsTIG) Anfiteatro (EsTiG)
11:15-11:45	<i>Coffee break</i>	Aud. D. Gonçalves Lobby
11:45-13:15	Symposia and parallel sessions Symposium 6: Mountain agriculture and agroecology (session 1) Symposium 17: Past environments in mid-latitude mountain regions Session 2: <i>Biodiversity conservation</i> Symposium 9: The systemic eco-social model applied to social work in rural areas	Aud. D. Gonçalves (ESA) Aud. Pequeno (ESA) Aud. Alcínio Miguel (EsTIG) Anfiteatro (EsTiG)
13:15-14:15	<i>Lunch</i>	ESA cafeteria
Afternoon		
14:15-15:45	Symposia and parallel sessions Symposium 6: Mountain agriculture and agroecology (session 2) Session 4: Governance, heritage and identity Symposium 8: New alternative sources of natural additives for food and cosmetic applications	Aud. D. Gonçalves (ESA) Aud. Pequeno (ESA) Aud. Alcínio Miguel (EsTIG)
15:45-17:15	Symposia and parallel sessions Symposium 16: Livestock farming systems in European mountains: challenges and opportunities Session 3: Mountain farming systems and mountain forestry Symposium 15: Land abandonment and ecosystem services: threats and opportunities for mountain sustainability	Aud. D. Gonçalves Lobby Aud. D. Gonçalves (ESA) Aud. Pequeno (ESA) Aud. Alcínio Miguel (EsTIG)
17:15-17:45	<i>Coffee break</i>	
17:45-18:30	LuMont - The Lusophony Mountain Research Network meeting <i>A common research agenda for mountain areas in Portuguese speaking countries</i>	Aud. D. Gonçalves (ESA)
18:30-19:00	Closing ceremony João Sobrinho Teixeira, IPB President Pedro Machado, Embrapa-Labex Europa Coordinator Martin F. Price, Chairholder of the UNESCO Chair in Sustainable Mountain Development Manuel Heitor, Portuguese Minister of Science, Technology and Higher Education (tbc)	Aud. D. Gonçalves (ESA)
21:30	Bragança Jazz Festival	Theatre
Side events		
Thu Oct 6	Journal of Mountain Science - Special Issue meeting	União Freguesias
13:30-14:00		
Fri Oct 7	Open Agriculture - Special Issue meeting: (at the end of Symposium 6 (Session 2))	Aud. D. Gonçalves (ESA)
15:15		
Thu Oct 6	Regional Combat Desertification Working group (Núcleo Regional de Combate à Desertificação do Norte (NRCD-N), Portugal) awareness session (at the end of Symposium 19)	Conservatorium Auditorium
18:00
